**ENCOURAGING  
CITIZENSHIP**

**LEARNER  
ENGAGEMENT**

### Vision Statement

St. Anne's is a Catholic Primary School reflecting the teachings of Jesus. It builds upon the multicultural traditions of the local community. Within this environment, students are nurtured to develop individually as creative and responsible learners, with a love of truth, faith and knowledge.

### Goals

St. Anne's Catholic Primary School strives to engage with each person daily by:

- **Gospel Values** - integrating Gospel values through nurturing each person's faith in God so that they can become more like Jesus;
- **Opportunities** - providing opportunities for each person to explore and create, empowering them to develop their individual gifts and talents in their pursuit of excellence;
- **Supportive Environment** - creating a supportive learning environment in which each person's self-worth is fostered and respected and a sense of responsibility to and empathy for others is developed;
- **Partnerships** - supporting parents to be active partners in the education of their children;
- **Encouraging Citizenship** - encouraging each person to be confident citizens of a dynamic and just world;
- **Learner Engagement** - embracing quality teaching practices and technology to engage each person in meaningful learning.

**Gospel Gold Winners:** *Lindee Casayas & Deaniella Redoble*

### **Top Tipper Round 14**

Lina - 6

Winning \$10

### **Leaderboard**

1. Eli U - 81
2. Garrick & Chelsea - 78
3. Clinks3 - 77

**ESPN footy tips**

Dear Parent or Guardian,

There has been a confirmed diagnosis of Influenza B within our school this week.

To prevent widespread flu in the school, we recommend that your child stay home from school if experiencing flu or cold symptoms. To decide whether or not to send your child to school, please consider the following guidelines.

Definitely keep your child at home for treatment and observation if he or she has any of these symptoms:

- Fever-greater than 100°F and your child should stay home until at least 24 hours after they no longer have a fever. This should be determined without the use of fever-reducing medicines (any medicine that contains ibuprofen or acetaminophen).
- Vomiting (even once)
- Diarrhea
- Chills
- General malaise or feelings of fatigue, discomfort, weakness or muscle aches
- Frequent congested (wet) or croup cough
- Lots of nasal congestion with frequent blowing of nose

To help prevent the flu and other colds, teach your children good hygiene habits:

- Wash hands frequently
- Do not touch eyes, nose or mouth
- Cover mouth and nose when sneezing or coughing. Using a paper tissue, throw it away and then wash hands
- Avoid close contact with people who are sick

Colds and influenza are the most contagious during the first 48 hours. A child who has a fever should remain at home until they are “fever free” for a minimum of 24 hours. Often when a child awakens with vague complaints (the way colds and flu begin), it is wise to observe your child at home for an hour or two before deciding whether or not to bring to school. Your child should be physically able to participate in all school activities on return to school. Keeping a sick child at home will help minimize the spread of infections and viruses in the classroom.

A Fact Sheet is available from the front office should you require more information.

Thank you in advance for helping this school year as healthy as possible.
