## All Souls Day Prayer

REMEMBER LORD, THOSE WHO HAVE DIED AND HAVE GONE  
BEFORE US MARKED WITH THE SIGN OF FAITH,  
ESPECIALLY THOSE FOR WHOM WE NOW PRAY.

MAY THESE, AND ALL WHO SLEEP  
IN CHRIST, FIND IN YOUR PRESENCE  
LIGHT, HAPPINESS AND PEACE.  
THROUGH CHRIST OUR LORD.

Dear Parents, Friends and Students of St Anne's,

Welcome to the newsletter for this week

**BUSY BEE:** Last weekend we had our long awaited busy bee and to say I was overwhelmed is an understatement. I expected a few people and hoped for a little change, but the extent of the turnout and the magnitude of the work completed was actually quite staggering. I set a pretty lengthy list in terms of 'works' to complete, thinking it would take many busy bees. I was wrong! We pretty much finished all of the jobs on the list and even completed some additional things. An amazing achievement!

So, what did we do:

- Tree lopping (massive amounts) to chook pen and the school entry disposing of three truckloads of waste
- Cleaned behind the senior block
- Tidied up shed and area adjacent to Annie's Angels, filling up the skip bin with waste
- Painted the northern wall face of Mercy Hall
- Painted the render and stained the benches in the senior block
- High pressure cleaned areas around school
- Completed chalkboard to Junk Trunk
- Stained timber seating around sandpit and sustainability area
- Painted all external cladding on oval side of school
- High pressure cleaned the limestone wall of sandpit
- Relocated the fencing in Pre Primary area

It is a massive list and a massive achievement made possible by the help of our staff, students and parents. So a sincere thankyou to you all! To the many students (past and present) who came and lent a hand, it was great to see you doing a bit to help your school.

Thankyou also to the following people for giving up your time and lending your skills to improve the look of our school. (I hope I haven't missed anyone).

To the Vitalone family – thankyou so much for the use of your truck - amazing! Elisbet Sawyer, Mr Hall, Sophie Cox Whelan, Sylvana Olimpio, Sandra Zappia, Tash Dagostino, Michelle and Andrew Stacey, Mark and Liz Zappia, David Beech, Louisa Sgambelluri, Chelsea Cox, Linda Jubb and her family, Danni and Rob Zarzycki, Coralee Italiano and Renae Croft.

Our next busy bee is now being planned for early next year.

**WELCOME:** This week we welcomed more students into our school. To Matt Jabines, Glenn Pulgadas, Earl Camporedondo and Flinkz Balborta – a special welcome! As with all our students, we hope your time at our school is one full of great fun, great learning and great memories.

**CAMP:** The Year Five and Six students returned home from camp on Friday, exhausted but fulfilled with great memories and experiences from their time away from their families. Exhausting times too for the staff, so my sincere thanks to Miss Cox, Mr Godwin and Miss Martelli for taking care of our students over the course of the camp.

**PRE PRIMARY LITURGY:** Thankyou to the Pre Primary students for their beautiful liturgy on 'Celebrations' and to the parents who attended and shared morning tea after the liturgy. I thoroughly enjoyed the service with beautiful singing being a highlight. Thankyou to the parents who attended and to Ms Rowling, Mrs Italiano and Mrs Wilson for preparing and presenting such a lovely morning for the students to share with their parents.

**OUTDOOR CLASSROOM DAY:** Well done to our Early Years staff from Kindergarten to Year Two who introduced a new initiative to their program this year, *Outdoor Classroom Day*. Students did not venture inside at all and worked through the day at various spots within the school grounds. There was still Literacy and Numeracy, plus many, many more activities - just a different setting and a different way of doing it. I was so impressed to see the level of engagement from the students and the outstanding preparation and organisation from the teachers. It looked like everyone involved had fun!

**SCI TECH VISIT:** Thankyou to Mrs Epiro for the organisation of our Scitech incursion today. From what I could see the day was very hands on, practical and tested the skill sets of our students.

**'NO FRYDAY':** On Monday students will participate in 'No FryDay.' Correspondence has gone home but just to remind parents, for the cost of a gold coin donation students can wear their own hat or sunglasses on Monday 5<sup>th</sup> November. Proceeds raised will go towards cancer research, specifically around melanoma. With the warmer months approaching, the behaviour to develop good sun smart habits is a timely reminder.

**WELCOME FATHER WALLY:** The Year 4 – 6 students attended ALL SAINTS DAY MASS this morning and we were lead through Mass for the first time by Father Wally. Father will be overseeing our liturgical celebrations for the remainder of the year until we have a new priest appointed to the Parish. Thankyou to Father for this Mass and for the special engagement you brought to the day's ceremony.

**PUPIL FREE DAY:** It has been advertised in recent newsletters but please be aware that school will not be open on Wednesday 14<sup>th</sup> November. Staff will be working with Caritas Australia on a school Professional Development day.

**SCHOOL DISCO:** Just a reminder - the Disco is this Friday, see advertised times further in the newsletter.

**SPELLATHON:** The Spellathon is back next week after an absence from last year. Miss Carruthers has been busy organising the competition and handed me the opportunity to host the event. I am really looking forward to this and excited to 'push' our super keen spellers to their limits. Parents are most welcome to attend.

**GRANDPARENTS DAY MASS:** Next week we will welcome all our grandparents and carers into our school for our annual Grandparents Day Mass. This year Father Tony will preside over Mass, which will be very special. After Mass students will have an opportunity to show their grandparents around the school and in their classroom. A morning tea will then be served in Mercy Hall.

**MAKING JESUS REAL:** The Spirit of Jesus continues to be a 'theme' celebrated within our school. Please take note of the 'Making Jesus Real tip of the week.' By changing our behaviours and attitudes to live more like Jesus we can definitely make a difference to other individual's circumstances, as well as our own.

Have a safe and happy week.

Leadership quote: *The greatest leader is not necessarily the one who does the greatest things. They are the ones who get people to do the greatest things.*

MJR reminds us to greet, treat and speak to each other with kindness and respect, as good leaders do. We all can ENCOURAGE other people through our actions and words! We all can inspire others to follow their dreams!

Attitudes are contagious, is yours worth catching?
