

ST. ANNE'S HAPPENINGS

God, help me be flexible today. Let me adapt to situations, always finding the best way to handle them.

Make me open to change, seeing it as an opportunity rather than a threat. Amen.

St Anne's Virtues - **FLEXIBILITY** is being open to change. It means not always having to have your own way. It is open to opinions and feelings of others.

School Policy & Procedures - Our website is very informative particularly around policies, that being both school and system policy.

Unwell Students - For the welfare of staff and students please do not send your children to school if they are unwell. All unwell students will be sent home.

Enrolments - We are now accepting enrolments for 2027, application forms are available from the front office.

Uniforms - Are available directly from Perm-A-Pleat in Bunbury. Should you have any queries, please contact Ms Sylvana Olimpio at the office.

Canteen - Operating every Friday for Pre-Primary to Year 6. Recess and Lunch will need to be pre-ordered and all orders must be in the day before.

Volunteers are always required to maintain the canteen open each week.

MJR tip of the week **TAKING THE NEXT STEP...**

We are all progressing in life, taking the next step, whether it is reading, maths, music or sport.

Whilst we try hard at school to take the next step to improve, we should also be prepared to take the step up in being a good person i.e., being generous, compassionate, thankful, forgiving, etc.

We hear on TV so often about players in teams taking the next step up to improve and so we should be conscious of taking the next step in being a better person.

Congratulations to Our Confirmation Candidates

We warmly congratulate all of the students who received the Sacrament of Confirmation on Saturday night. This is a very special milestone in your faith journey, as you are strengthened by the Holy Spirit and called to live out your faith with courage, commitment, and love.

May the gifts of the Holy Spirit guide you each day, and may you continue to grow as active members of our faith community.

We are very proud of you and keep you in our prayers.

BUCKETS FOR JESUS APPEAL

A flyer about the Buckets for Jesus Appeal was sent home a couple of weeks ago with the eldest child in each family.

If you would like to support this worthy cause, bags are available from the front office.

Thank you for helping us respond to

Being flexible means not just reacting but actively adjusting to life's twists and turns. Face the unexpected with resilience, and every challenge becomes an opportunity.

HEALTHY BREAKFAST

Skipping breakfast can make kids feel tired, restless, or irritable. In the morning, their bodies need to refuel for the day ahead.

A healthy breakfast provides nutrients that the brain needs to function properly. It also helps children focus on learning and engaging at school rather than on their rumbling stomach.
